Ambulance Operator- Class 2 Graduation

February 22, 2010- As part of the ongoing development of the City of Glendale Fire Department's Basic Life Support Program, it is our pleasure to announce the completion of Class 2 of our Ambulance Operators. On February 23, 2010, at 1330 hours, the Glendale Fire Department will be graduating five new Ambulance Operators (AO) from its second AO Academy. The new AO's are eager and excited to begin working in their assignments at the end of February, and each BLS unit will be staffed with two Emergency Medical Technicians (EMTs). They will be operating in 12 hour shifts, one from 7:30 a.m. to 7:30 p.m. and the second from noon to midnight. They will be under the supervision of Battalion Chief Greg Godfrey, and under the direction of EMT Coordinator Greg Anderson. Congratulations to our new Ambulance Operators.
